

## **MASTER MARINER**

We are currently looking for applicants for a permanent position as Master. The perfect candidate will have the overall responsibility managing the safety and environmental preventive requirements on all aspects of the vessel and responsible for the overall management, planning, organization and control of all vessel activities. The Master is the primary link between the onshore management team hence the Master will ensure communication is active and advise any issues that may affect the safe and efficient operational capabilities of the vessel.

### **Responsibilities and Skills:**

- A high-level knowledge of ISM, ISPS, Transport Canada Class, MLC 2006 and all applicable legislative requirements for operating vessels in Canada
- Excellent interpersonal and organizational skills and ability to multitask in a fast paced environment
- Excellent communication skills; both verbal and written, ability to communicate effectively and articulately at all levels
- Demonstrated experience in a management role or lead position, and the ability to understand the critical interface relationship between marine and project personnel
- Ability to address difficult issues when required
- Extensive experience of maritime activities, a strong knowledge and understanding of international Codes, Standards and Specifications
- Take action in accordance with the Company disciplinary procedures for those who are negligent in failing to follow established safety and environmental procedures or misuse equipment provided for their health and safety
- Emergency duties in accordance with vessel emergency plan

### **Qualifications:**

All Certificates must be issued by Transport Canada

- Minimum of 5 years working on marine vessels in tanker industry
- Master Mariner (preferred) / Near Coastal (accepted)
- Advanced Oil Tanker
- Advanced Chemical Tanker (preferred)
- Marine Medical Care
- Valid Seafarers Medical
- Valid Canadian Passport
- Ship Security Officer
- Bridge Resource Management
- ECDIS
- GMDSS

If you are interested in joining our team, please send your resume and copies of certificates to [lannette.cudmore@rigelcanada.com](mailto:lannette.cudmore@rigelcanada.com)
